TEXAS STATE REPRESENTATIVE • DISTRICT 116  
*Dean, Bexar County Delegation*

**FOR IMMEDIATE RELEASE:** December 1, 2025

## STATE REPRESENTATIVE TREY MARTINEZ FISCHER TO FILE FOR RE-ELECTION

**SAN ANTONIO, TX** — Texas State Representative Trey Martinez Fischer has spent the past month in conversations with his community, discussing a run for the open Bexar County District Attorney seat. He formed an exploratory committee to examine the obstacles the current District Attorney's Office is facing as well as how he could best support Bexar County. The Representative has met with key stakeholders and leaders from the courts, the community, and engaged in tough conversations to understand how he can best be of service.

After much deliberation and input from his family, advisors, and peers, the Representative has announced his plans to file for re-election to his current House seat in District 116.

Texas State Representative Trey Martinez Fischer released the following statement:

"After forming an exploratory committee for District Attorney, discussing with my family and meeting with DA Joe Gonzales and county leaders about the serious challenges facing that office, I have decided to continue serving Bexar County in the Texas House of Representatives rather than pursue the DA race.

As the longest-serving member of the House from Bexar County and Vice Chairman of the Ways and Means Committee, I can't step away right now. Governor Abbott has made it clear that his top priority in the next session is dismantling the tax policies that fund our public education system. We need a strong, veteran Democratic voice at that table.

I've spent countless hours on transitioning oversight of our beloved Alamo to the State Preservation Board, and working to position San Antonio as a film production hub under the new Texas Film Incentive Program. There's still work to do.

I'm beyond grateful for the support I've received from voters across the county, as well as from fellow elected officials, our legal community, and business leaders. I look forward to continuing to represent San Antonio and Bexar County and serving in the Texas House."
